

SERVICE LETTER

No. 953

Piper Aircraft Corporation

Lock Haven, Pennsylvania, U.S.A.

July 28, 1983 S/M

SUBJECT: Shoulder Harness Installation
Availability

MODELS AFFECTED: All Piper Models

COMPLIANCE TIME: At owner/operator's discretion.

PURPOSE: To notify owners and operators of Piper
Airplanes of the availability of required material and instructions for the
installation of an approved shoulder harness at each seat location in all Piper
airplanes.

MATERIAL REQUIRED: Material requirements, installation
complexity, and price will vary depending upon the series, model, serial
number, and date of manufacture of the affected airplane. Refer to the chart
below for the current availability status of shoulder harness installations
as of the date of this Service Release. This information is subject to
change.
