SERVICE LETTER NO. 433

September 9, 1964

TO: Distributors, Dealers, Certified Service Centers and Owners

SUBJECT: Installation of Placard (Cowl Flaps Open)

MODELS AFFECTED: PA-24-400 Comanches, Serial Nos. 26-1 to 26-124 inclusive  
PA-30 Twin Comanches, Serial Nos. 30-1 to 30-598 inclusive

DATE OF COMPLIANCE: Upon receipt of placard

This service letter is to advise that the aircraft indicated by the above serial numbers shall have a placard attached to the landing and take-off check list placards in the following manner:

PA-24-400 COMANCHE  
(One placard required per airplane)

One placard is required and shall be attached to the landing check list placard.

PA-30 TWIN COMANCHE  
(Two placards required per airplane)

Two placards shall be required per airplane and are to be attached to the take-off and the landing check list placards.

Refer to sketch on the reverse side of this service letter.

Distributors shall estimate the number of placards required to comply with the above and submit their orders for placard, part number 755 881, which will be furnished at no charge.

(Over)
